

The Fastbreak Club (FBC) is made up of alumni, family, friends, and members of the community who support University of Memphis Women's Basketball. Annually the FBC hold events designed to bring increased exposure to the Women's Basketball team, increase attendance at home games, and raise money to support the program.

The past efforts of the FBC provided significant opportunities for our tigers:

### **Tigers Move Into Locker Room!**

August 1, 2011 the team moved into its new re-modeled locker room. The new facility features state of the art player and coach locker rooms, shower facilities, media room, athletic training room, and weight room.

### **Tigers Go To Italy!**

On August 15-25, 2011 the team went on a 10 day, 4 city tour of Italy. During the trip the team played four professional teams in Florence, Rome, Venice, and Lake Como.

Both of these were funded through the fundraising of the Fastbreak Club with assistance from the University of Memphis.

*“Becoming the Class of  
Conference USA”*

## Ready to March ...

The 2010-11 University of Memphis Women's basketball team finished with a record of 21-12 and earned a berth in the WNIT. The 20 win season marked the second consecutive season with 20+ victories and the WNIT birth marked the second consecutive post season birth. The buzz and excitement that surrounds the program continues to grow. The Tigers are Ready to March into the NCAA tournament this season!

The team returns four of five starters and its top seven leading scorers from a season ago. Three Freshmen join the Tigers in 2011-12. The Memphis Tigers are focused on our goal to become the "Class of Conference USA."

We need you to invest in the future of UofM Women's Basketball by joining the Fastbreak Club. These additional resources allow the coaches to recruit top student-athletes and ensure that current Tigers have the best academic and athletic experience possible while at the University of Memphis.
