*“Becoming the Class of  
Conference USA”*

## Poised and ready ...

In just two short seasons, the University of Memphis Women's basketball team has become a program "Poised and Ready" to compete for championships. The 2009-10 season culminated in a 20-14 season, second place finish in C-USA, a runner up finish in the inaugural WBI tournament and a top 40 ranked recruiting class. We are striving to be a team of which the city of Memphis and the University of Memphis can be very proud.

With eight letterwinners returning, along with six newcomers, the Memphis Tigers are focused on our goal to become the "Class of Conference USA."

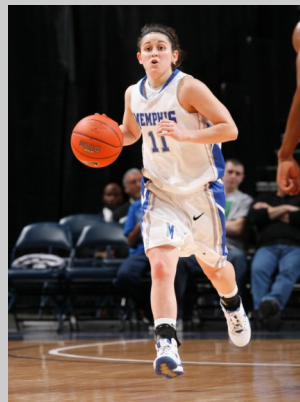

We need you to invest in the future of UofM Women's Basketball by joining the Fastbreak Club. These additional resources allow the coaches to recruit top student-athletes and ensure that they have the best academic and athletic experience possible while at the University of Memphis.
